Meritorious students were given prizes with certificates and medals. The event concluded with cultural performance by students and refreshments for all.

opus “**Roots of Healing**” honoured the unseen foundation of nursing – the dedication that holds every act of healing together.

“**Maitree**” – meaning spirit of camaraderie and friendship, is not just the title of the event, but the spirit that flows through every nurse. Friendship with life, with resilience, with duty. This opus is a dedication to that invisible yet unbreakable bond between nurses and the lives they touch.

Roots of Healing is a tribute to their journey, the tears they never show, the hands that never falter, the hearts that never stop giving. In a world often rushing ahead, a nurse remains grounded, like roots holding the soil firm, quietly making life bloom again. **This opus is their story. And through “Maitree”, we honour it.**

“**Maitree**” – symbolises the passing of knowledge and igniting the souls of the budding nurses with the ideals of compassion and care. Every year “**Maitree**” is based on a well thought out theme which we call the “**OPUS OF MAITREE.**” This year’s
